A PRETTY RECEPTION.

Mrs. Harris and the Misses Harris at Home Tuesday Afternoon.

The spring season was ushered in Tuesday afternoon with a very pretty reception given by Mrs. Frank Harris, Miss Harris and Miss Violet Harris in honor of their charming guest, Miss Cornelia Ahlum, of Mobile, Ala., and Mrs. M. B. Arentz, of Rochester, N. Y., who is the guest of Mrs. R. A. Burford.

Mrs. D. S. Woodrow and Mrs. Mallory Liddon were receiving in the hall. The former was beautiful in a white embroidered dress and the latter in a white lace dress.

Mrs. Harris wore a black net gown and wore red roses. Mrs. Arentz was in white cloth and wore pink roses. Miss Ahlum looked very lovely in a decollete white Japanese silk dress trimmed with spangles with which she wore an immense bouquet of violets. Miss Harris wore white silk tissue and Miss Violet Harris' gown was pale blue silk tissue, decollete.

The other ladies in the receiving party were Mrs. Berry Hiss, of Orange, N. J., in white over yellow; Miss Jessie Nurney, of Suffolk, Va., who wore pale gray crepe de chene; Miss Annie Nurney, of Suffolk, in a white lace gown; Miss Hattie Rosenbaum, of Pittsburg, Pa., in white crepe de chene; Miss Christian Cook, of Brooksville, in white voile; Miss Carrie Bailey, of Monticello, in white china silk, and Miss Adelaide Hughes, of Trenton, S. C., in white point de sere over red silk.

The back hall had been converted into a Japanese room by the use of large Japanese umbrellas and lanterns. Immediately over the punch table was a Japanese umbrella. Hanging from it were lighted lanterns, which cast a pretty light over the many beautiful women as they were served to fruit punch by Mrs. C. C. Todd and Mrs. N. I. Gottlieb. Mrs. Todd wore black silk and Mrs. Gottlieb's dress was lavender and purple silk.

Mrs. E. L. Carney invited the visitors from the hall into the dining room. Mrs. Carney was gowned in white organdie. A quantity of bamboo, dogwood and yellow jessamine was used in the decorations of all the rooms and a number of potted plants were also used.

In the dining room the mantel was banked with purple and blue violets against a back ground of green and on the table pink roses were used and the candles were shaded with pink.

Misses Louise Harris, Millie Nurney, Louise Scott, Eloise Miller and Loulou Moody served in the dining room.

On leaving the dining room the guests went into the living room which was decorated with bamboo and yellow jessamine. In this room Prof. Goodsell, violinist, and Prof. Fishel, pianist, played most exquisitely all during the afternoon.

The day was all that could be desired, about one hundred and twenty five ladies called during the hours from three to six o'clock.

Tragedy Averted.

"Just in the nick of time our little boy was saved," writes Mrs. W. Watkins, of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough had set in besides. Doctors treated him, he grew worse every day. At length we tried Dr. King's New Discovery for consumption, and our darling was saved. He's now sound, and well." Everybody ought to know, it's the only sure cure for coughs, colds and all lung diseases. Guaranteed by Anti-Monopoly Drug Store and Tydings & Co.

Miss Cornelia Ahlum, of Mobile, who has been the guest of Miss Lucile Ansley, has gone to Ocala. Miss Ahlum is one of the most charming girls it has ever been Thomasville's pleasure to entertain.—Thomasville cor. in Atlanta Journal.

At The Race Track.

In company with Col. V. H. Horton, a representative of this paper visited the race track Wednesday and saw the preparations that are going on there for the big races which begin March the eight and continues for five days.

The stables have been enlarged and twenty horses have already arrived and are in training for the races.

Col. Horton says the stables and the track are as good as he has seen anywhere and a great deal better than the average.

The following are the names, ages and owners of some of the horses that will take part in the races next week:

Jack McGinn and Handorgan, one five and the other four years old, belonging to Harry Kelly, of Savannah.

Declaimer and Miss Horton, each five years old belonging to Earl Horton, of Atlanta.

Prentiss Young, Harry Duke, Bessie Arnold and Judge Pettus, all five years old, belonging to J. P. Matchett, of Cisne, Illinois.

Doublet Roy, Genevieve and Singing Nymph, belonging to W. B. Conoly, of Enville, Fla.

Miranda, belonging to John R. Martin, Ocala.

El Rica, belonging to J. R. Blackinton, Ocala.

Grace Banton and Gladham, belonging to E. Sanderson, of Charleston.

Expectation, jr., and Richard A. belonging to Richard Abrams.

Myrtle R., belonging to Standly and Ray, of Ocala.

Bartley, belonging to Geo. K. Robinson, of Ocala.

Some of these horses are trotters, some runners and some pacers and some have already won spurs on various race courses in different parts of the country.

The meet at St. Augustine and at Jacksonville attracted thousands of visitors and was in every way a success and those in charge of the arrangements now in progress here are very sanguine that the racing will attract large numbers and will be as successful as it was in Jacksonville and the Ancient City. It will be the biggest thing of the kind that has ever taken place in the interior of Florida.

The stables are in charge of Mr. George Sprague, trainer from Elmira, N. Y., who has been in charge of the Ocala stables since last July.

A Watchword of Women.

Modesty is woman's watchword. Whatever threatens her delicate sense of modesty, frightens her. For this reason many a woman permits diseases of the delicate womanly organs to become aggravated because she cannot bring herself to submit to the ordeal of unpleasant questionings, offensive examinations, and obnoxious local treatments, which some physicians find necessary. Doubtless thousands of the women who have taken advantage of Dr. Pierce's offer of free consultation by letter, have been led to do so by the escape thus offered from a treatment repugnant to modesty. Any sick woman may write to Dr. Pierce, Buffalo, N. Y., in perfect confidence; all letters being treated as strictly private and sacredly confidential, and all answers being sent in plain envelopes with no advertising or printing upon them. Dr. Pierce's Favorite Prescription has been long hailed as a "God send to women." It makes weak women strong and sick women well. "Favorite Prescription" contains no alcohol, neither opium, cocaine or other narcotic.

At the Armory.

Allen Holten delighted those that attended his performance at the armory Tuesday night.

He is Al and the Ocala people are more in love with him than ever.

Very pretty young ladies acted as ushers; Miss Mildred Nurney sang sweetly; Mrs. McIver played a piano solo and Mr. Fenzel also delighted the audience with a vocal solo.

It was a charming entertainment throughout.

City Solons in Session.

The city council was in regular session Tuesday night.

After auditing quite a number of bills, the chairman of the street committee was notified to have a side walk placed down in front of the property of Dr. O. Grothe and have the same charged against the property as provided by the ordinances.

Ordinance was also adopted requiring the S. A. L. railway to keep a flagman at the North Magnolia street crossing from 7 o'clock a. m. until 7 o'clock p. m.

Seven of the nine members of the council were present.

Colds are Dangerous.

How often you hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency towards pneumonia. It always cures and is pleasant to take. Sold by all druggists and medicine dealers.

Still Another Big Sale.

Information was received in this city Tuesday of the sale of the big turpentine farm of Messrs. F. and Louis Langat Daisy.

This valuable property was sold to Messrs. Peterson and Company, of Gainesville, and the purchase price is put at the modest price of \$60,000.

Marion property is meeting with quick sales at big figures.

Well Again.

The many friends of John Blount will be pleased to learn that he has entirely recovered from his attack of rheumatism. Chamberlain's Pain Balm cured him after the best doctors in the town (Monon, Ind.) had failed to give relief. The prompt relief from pain which this liniment affords is alone worth many times the cost. For sale by all druggists and medicine dealers.

Accident at Silver Springs.

The Messrs. June, father and son, while babbling a shaft at Lester's mill, last Saturday happened to a painful accident. In some way some water got into the shaft and as the molten lead came in contact with the water it produced an explosion, and the hot lead struck both gentlemen in the face, almost blinding one and severely burning both. Dr. Powers was called and administered soothing lotions to their wounds.
